

Office of the City Manager

August 26, 2019

Dear Applicant,

The City of Chula Vista is in receipt of final scoring information for all cannabis license applicants from its third-party consultant, HdL Companies (“HdL”). The scores provided by HdL consist of an application score (total possible score of 500) and, for those applicants who were interviewed, an interview score (total possible score of 500). Please be aware that secondary background investigations of applicants are not yet complete. As a result, applicants may still be disqualified despite their application and interview scores. Copies of the score spreadsheets provided by HdL are attached for your reference.

Once the Phase One assessment process is complete, applicants will receive a Notice of Decision letter informing them whether their application has been rejected or whether they have been tentatively approved to proceed to Phase Two. At this time, no Phase 1b applicants have been rejected and none have proceeded to Phase Two. City estimates that Notice of Decision letters will be issued within 45 days, however this is only an estimate. Applicants receiving Notice of Decision letters will be informed of the right to appeal to the City Manager in accordance with Chula Vista Municipal Code section 5.19.050.A.6. Please note that there is no right to appeal to the City Manager prior to receiving a Notice of Decision.

We appreciate your patience and your participation in City’s process.

Sincerely,

Kelley Bacon

Deputy City Manager
